THE BEST SHOW IN TOWN!

The PAAG 2007 Holiday Art Show is just weeks away and promises to be bigger and better than any of our past members' shows! The 2006 Show was a great success. The Artists' Reception at Gallery on High in Downtown Pottstown again proved to be the place to be that evening!

at the PAAG October meeting...

Eric Mitchell treated the attending members and friends of the PAAG to a wonderful slide show of some of the stunning photos he took when he was the Head Photographer of the Philadelphia Museum of Art. The show included stunning shots of the interior and exterior of the Museum as well as something that has become something of a passion for Eric--photographing mascots (hood ornaments) of classic automobiles in natural settings. Some of these photos were extraordinarily beautiful!

November's guest speaker is...

PAAG member Pat Abel..

Pat will speak about his career as a photographer giving us the ins and outs of that profession. He'll talk about how he decided to pursue photography as a career, his approach to his work, and how photography has changed with the advent of the digital age. This is a meeting that will be well worth attending--so give yourself a treat and come on over!
