

# MASTERS <sup>of</sup> Art

## Why Good Framing Matters

**Monday, May 19, 2025 | 7:30 to 8:30pm**

Presented by Richard Godshall

**Boyer Gallery** at the The Hill School Center For The Arts | Pottstown PA

In this presentation, Rich will cover the basics and why good framing really does matter.

He will talk about the roles played by not only the frame but also the mats, glass, and spacers. And why you should use conservation-grade materials for your artwork.

ABOUT Richard Godshall

*"I graduated from Hussian School of Art in 1975 and spent the next twenty-five years working in the graphic arts field.*

*In 2002 I left the field of commercial art behind to open Off the Wall Framing & Gallery. I retired and sold OTW in 2022.*

*Presently, I devote most of my time to painting and presentations."*
