

Betsy Chapman

With a choice of Celtic, Electric or Pedal Harp Betsy offers a wide variety of musical styles for all occasions.

Betsy Chapman began piano lessons at the age of 5, and went on to study several other instruments through her college years. She began the study of the harp in 1988 and as her career with IBM moved her from place to place she was fortunate to study with teachers not only in the US, but also in Paris, France.

Betsy plays for Caring Hospice and is a Certified Clinical Musician. She is also a certified VibroAcoustic Harp Therapist, and served as an advisory member of the National Standards Board for Therapeutic Musicians.

She has played for Steel River Playhouse in Pottstown, for film, television, and Renaissance Faires as well as weddings, funerals, and special events.
